Dear Josh:

I too am happy that we shall spend some time together at Shelter Island. I have a lot I would like to talk to you about.

As my plans stand now, I shall spend the few days before the conference with friends at East Hampton. Consequently, I shall be driving out early. If these plans change and there is a chance that I could give you a lift, I will let you know.

Best regards,

Sincerely yours,

Francis J. Ryan
